So sorry to hear about Lucas. We live in the neighborhood directly behind your house. We have watched him grow up. Always had a smile on his face when you would see him playing in the back yard. Sending prayers for your family. Neighbors all want to help if we can do anything for you. Please let us know. We will keep your family in our prayers

“ Lucas was always a pleasure to see around South Iredell and speak with in passing. On Wednesday my nurse and I were riding our golf cart around the school. When we saw Lucas with some of his friends during lunch. We rang our bicycle bell that is on our golf cart to get his attention and he waved and smiled back. Lucas will truly be missed.
