“ *Nelson, my Cuban brother. I was sorry to hear of your passing. We didn't keep in touch after leaving FIU. But in the time we spent together you left a lasting impression on me and my family. You and I couldn't be more different - with our likes and dislikes, our opinions, and even our beliefs. Yet I always knew where you stood - you are one of the most genuine people I knew. I wish you peace in the hereafter. Sleep well, Nelson. From Ryan Hadeed*
