“ Buddy was a more than a ray of light he was inspiring. In the face of adversity he kept his sense of humor and shared it with others.

Diana, I still remember your days at St Peter the Fisherman as you leaned into one another. Supporting each other. My heart truly goes out to you and sincerely hope that happy memories far exceed the sadness. Laura Mitchell

“ I send my love and prayers to the family. Buddy and my husband Charlie Jones(deceased. 5/03/2022) worked together for many years. I think they went back as far as the 70's. That's a lot of ships that they kept afloat. Buddy will be missed may he rest in peace. Love to all Marlene Jones.❤️

Dear Diana and Family

Buddy was more than a ray of sunshine. You went through very difficult times and stood my each other which was very special to witness. As difficult as things were Buddy emanated happiness and a wonderful sense of humor. For every surgery he would get another humorous tattoo. I am so very sorry for your loss and may your fond memories of him give you some comfort.

Hugs,
