I am one of Gene's Class of 1969 Classmates. We had kept in touch sporadically over the years through Facebook. He is one man that loved God, his family, friends and life. I am continuing prayers for the family and friends but am thankful that he is no longer in pain and is whole again. Jill Geddings Blackwelder

“ I will always remember Gene as friendly and caring. He always had a smile for everyone. Some of my fondest memories are from many years ago when he had a band and Larry and I would go to watch him perform. It was always so much fun.

My thoughts and prayers are with his family.

Rest in peace and thank you for bringing smiles into so many lives.

“ Gene’s brother Larry was my best friend growing up. Gene was always with us. He was a regular golf partner and was always a joy. We spent many hours roaming the neighborhood as kids, doing everything boys do. I loved Gene and his whole family. Steve Cude
