

Pamela Jean Morrison

January 12, 1951 - May 1, 2025

Pamela Jean Morrison

Pam, 74, danced her way into heaven, probably to a Jimmy Buffett song early on May 1, 2025. She was born on Jan 12, 1951, to Winston Morrison, who predeceased her. Other loved ones who were waiting to greet her in heaven include Alice Morrison, her grandmother who raised her and whom Pam lovingly called Mama, her grandfather George Morrison, her stepmother Helen Morrison, numerous uncles and other family members.

Left to cherish her memory here on earth are her daughter Alice Thompson Smiley, her son David Thompson, as well as her granddaughters Ariel Smiley Peterson, Angel Smiley Millington and Aria Thompson, along with four precious great-grandsons. Pam is also survived by her beloved aunt, Mary Ruth Morrison Lipe and numerous cousins who will miss her terribly.

Pam truly loved life and cherished time spent with her loved ones, including her group of high school friends who called themselves "the Queen Bees." She loved dancing, especially shagging and enjoyed spending time at Myrtle Beach, particularly during SOS week. She loved to cook and often shared her delicious food with friends and family, especially anyone who was ill or recovering from surgery. She loved to laugh and make those around her laugh as well. She was very proud of her Morrison heritage and was a great source

of family history for younger family members. Pam made a career as a hairdresser for many years and leaves behind many former coworkers and clients who loved her dearly.

Pam's memorial service will be Sat. May 17, 11 AM at Cavin-Cook Funeral Home's Heritage House. In lieu of flowers, donations may be made in Pam's memory as a tribute to her love of the USA, to the Gary Sinise Foundation, which serves our armed forces, veterans, first responders and their families. Gary Sinise Foundation, Gift Processing Dept, PO Box 1858, Merrifield VA., 22116-9641 or garysinisefoundation.org.

“ *Pam and I were cousins that spent summers getting into trouble as kids. She is so much a part of my childhood from us fighting over whos daddy was more handsome to getting chased by Uncle Georges bulls. Playing with kittens in the barn and school house to listening to the Beatles and Dave Clark Five. I will miss you so much Cuz!*

“ Pam, I know you are having a fabulous reunion with your grandmother who we were just speaking of a few weeks ago. I cherish all of our good times and wonderful memories of our Charlotte Shag Club 'adventures' to the beach, parties, good food especially ziti and your homemade cakes and soup. You opened your home to me when I was so sick, and gave me the greatest honor of sharing Alice and then sharing Aria with me. Instead of the beach being your 'happy place', home with Aria replaced it, she was your joy. You were a wonderful caregiver, friend, mother, grandmother, and filled so many hats for so many of your family and friends. You will forever be in my heart and I know you were a Christian as you witnessed to me so many times that you were a believer and knew exactly who your lord and savior is. You were honestly the best line dancer I know and I can truly believe you are shaking your bootie on the streets of gold. Your heart was made of pure gold and your feet were made for dancing on the dance floor or in the kitchen, so you'll fit right in. You were loved by so many, thanks so much for all the memories.
Cheers to you my dear wonderful friend,
Miss Glenna

What times we had together at the beach and when I was in the Lake Norman area. I never knew that when we first met what a great friendship would evolve but it was a wonderful journey with you my friend. I will always cherish you and the many memories we made.
Rest now in peace Pam.

Difficult to come up with words to express this heartbreak. Pam has left us way too soon.

We, "The Girls" have had so many wonderful times together - making memories which I cherish.

She was so much fun but I also loved her sweet, sincere side. She was an absolute Angel to me when my husband was ill and during his passing. She was so sweet to call and check up on me from time to time, through the years. She would sometimes send a message saying "want to talk - confidential, ok?" She truly had a heart of gold.

Girlfriend, I'm missing you, until we meet again. Love and hugs to you forever and always. Glenda

“*Alice, David & family, I am so very sorry for this terrible loss. I have worked & been friends with Pam since Salon Metaxa up until she retired. We were still friends, but didn't see each other much. I have truly missed working with her since the day she left.*

She was always the life of the party, and had a smile and conversation with everyone she met.

She truly will be so missed, love and prayers to all of you.

“ Alice and David, I am so sorry for your incredible loss. My life has been so much better because I had Pam in it. We shared laughs, secrets, long talks, messages almost daily. We had a little group called 'The Queen Bees', just girls from high school that celebrated birthdays and plenty of get together's just to see each other. All of our beach trips, laying on the beach, laughing at people going by. Lord, that girl could DANCE!! She was the life of the party everywhere she went. I, and so many others, will miss her more than I can ever explain. Don't you know she is dancing in heaven. I can't feel sorry for Pam, she lived until she died. We have to lean on our faith that we will see her again.

Pam will always be in my heart. There are so many memories that I cherish. We were together as young Navy wives and were neighbors when we came back to Mooresville. I will never forget the New Years Eve party when Pam choreographed our disco dance. So much fun I will remember always. My thoughts and prayers are with David, Alice and family. ❤️
