“ *Linda,*

We were shocked and so saddened to hear of Pat's passing. While we have only known Pat for a short while, his love for you, his home and garden were evident. He was a gentle man, soft spoken and kind. We will miss seeing him outside, always working in the yard and the woods to make his home a showplace in our neighborhood. May God grant you comfort during this very difficult time and may the gates of heaven open to let Pat in.

Please reach out if we can help you in any way.

“ Linda,

We were blessed to have Pat as part of our family and his death leaves a great emptiness in our lives. He was a kind and loving brother-in-law and no one could ask for a better friend. I know that God will provide you with the comfort you need to get through the days ahead. Our hearts are with you and Pat's family as we all grieve.
