“ Dear Barry and family,
We've just found out looking for a valid email address that Trish passed away last year.
We are deeply sorry about your loss.
Patricia was such a good friend. We won't forget when you invited us for a surprise Baby Shower at your home back in South Carolina. She has always been so gentle and kind, with a lovely southern accent..
Respectfully,
Pierre & Sylvie

“ Barry, Bailey, Sam and family, please know that many people loved Trisha. I haven't seen her since college years in Greenville, but remember only the beautiful, kind, fun loving person described in these comments. God rest her soul, and bless her family.

“ Uncle Barry and Bailey, I am greatly saddened by the loss of Aunt Trish and want you guys to know, y'all are in my thoughts and prayers. Aunt Trish had a beautiful soul and touched my life in a way that I could never repay her for. There were many instances that her words of wisdom and motivation got me through tough times. She will always hold a special place in my heart. I love you guys.

“ Uncle Barry & Bailey, I have been waiting on the right time to reach out, but it seems during a time like this time is never right. I am still in disbelief of Aunt Trishas passing. I will forever treasure all the moments and many talks we were able to have over the years. She always cared for me and always made sure I was ok. Uncle Barry the love and passion you guys showed for each other was super special and will always be etched in my heart. I can only hope to strive to be like you two. I will continue to pray for peace and comfort knowing she is in Heaven smiling down on us all as she always has. Love you guys. Love Always Ben Lanford

“ *Sammy and family, I remember Trisha and your family from way back Calvary Baptist days. Had her in SS and Bible School. Trish and my Lynn were of the same age and you and Stephen were....'Those Were the Days'. I will be thinking of you, pray fully, in the days that follow, that good memories and love from our God will give you a sense of comfort at this sad time. With deepest sympathy, Maudine McGee.*

“ *So very sorry for your loss. Patricia and I were friends "way back then" in high school. She was such an honest and bright person - And it seems as though she didn't change through the years - with all of the lovely comments about her adult life. I wish we had stayed in touch more. My thoughts and prayers are with all who knew and loved her. - Susie Keller*
