“ *My thoughts and prayers are with the family. However, I know she is happy to be with her sweet husband again.*

I loved working with Pat at South Elementary and appreciate her many helpful ways and stories. I loved to hear about her family, too.

Thinking of you all.

“ *Patricia, Scott and family, I last saw your Mom at your Dad's Memorial. I had only met Pat a couple of times but I knew how wonderful she was through the many loving stories that your Dad had told of her and your family (from earlier years). I had worked at Reeves for several years under your Dad's supervision in the 1980's. Yogi was a really great man and his stories were always filled with love for your Mom! I know that you all rejoice in knowing that the two of them are back together again. Sending thoughts and prayers to you all as I know you will miss them both!*

“ *I so enjoyed the times Pat and I got together for dinner or a play. Yogi would hate to see me coming because that meant Pat and I were going to talk about doing something to the house! Sweet, sweet couple. Rejoicing that they are together again. Love you Pat.*

“ *I have so many fond memories of Pat as a colleague at South School and as a fellow Kappa member. She could tell such funny stories and shared her love of family often. She will be missed, but never forgotten.*
