“ *Far too many wonderful memories to even begin telling. We had many adventures together over the years. Dean and I were blessed to be with you and Jason enjoying life on lots of occasions, even spending Christmas together in Hawaii. You left us way to soon and will never, ever be forgotten my friend. Hugs to your loved ones as they face life without your light.*

I didn't know Pat that long. We met at Tish and Harry's house parties and was such a nice and pleasant person. You had to enjoy her company! She certainly will be missed by so many. May she Rest In Peace. Amen 🙏

SO

For so many years a few of Pat's High School friends searched for her. I was one of those friends from Briarcliff HS in Atlanta. Pat and I hung around during our last years at school. I remember going to her parents apartment at Williamsburg several times. Pat, Wanda and I had some wonderful times back then. I am sad to know Pat passed away so young. Many Blessings to her family.
