“ My heart is broken over the loss of this amazing woman, she loved her family and friends more than herself. Pat also enjoyed spending time with her furry friends and they loved her, one or more always by her side and in her heart. May our Lord and Savior wrap her family in His loving arms as they walk through this most difficult time. May they find joy in knowing how much she loves them and may their broken hearts be filled with peace and healing knowing she will forever be in their hearts. With love ~ Susie 📄🙏

To Pat Hager's family, Pat was a very nice lady. I worked with her for thirty years at Elox/Agie. She was very helpful to me when I had to cost out bills of materials and drawings. Wes Davis, Jr.
