“ I worked with Patty many years ago at Laney’s Fish Camp and I loved her to pieces. I was 15 when I started Laney’s and she was always so good to me since day 1. Patty had a heart of gold and could always put a smile on your face. She could make you laugh on your worst day. She was a special lady for sure. My prayers are with her children, grandchildren and the rest of her family and friends!!! ☐

“ *When I moved near Patty many years ago, she was almost my closest neighbor and we would see each other some, but I could not even see her house.... Sometimes some of her grandchildren would come here trick-or-treating, and the last while my grandkids have been going by her house and she always had a bag of treats for them. She would call and ask them to come by to get their treats. She even insisted her family go get the prizes for them lately when she was not able to...We enjoyed visiting her. My grandchildren actually tried to call her the day she passed and we didn't get a return phone call and we knew something was up... She was great keeping up with her friends... After her husband passed away and then later my husband passed away Patty would come by to see me... Even when my husband was very sick during Covid, we talked outside.*

I met Patty over 30 years ago when I was the organist at Berea. We met up in the parking lot after church on many Sundays. Through the years she's remained her "plum cute, joyful, friendly self". Everybody loved Patty.
