“ *Patsy Bruce, was a great lady and friend. She served her state as a senior prosecutor in Iredell, Alexander, Davie and Davidson Counties. I worked closely with Patsy on several Major Homicide Cases. Patsy was a fighter for the victim and their families for justice in these types of cases. Patsy always gave her all for others. She was a great friend with a beautiful smile and a can do attitude. God Bless you Patsy, Rob and family. In my thoughts and prayers, David Call*

“ *Patsy was a schoolmate and friend of mine. We were in band together and both of us in the class of 1971 Mooresville Senior High School. I always remember her smile and wit and she was a good friend to many people. She will be missed!*

*Please accept my sincere condolences for your loss! How can she already be gone? Patsy's passing came as a shock and reminder of our youth that forever lives in our hearts. Although we lived far apart, she will be greatly missed! Patsy was a smart, beautiful, vivacious, and giving friend. Our MHS Class of '71 was a close group and we have many happy memories. As Patsy and I went separate ways to our colleges, when she was at Wake, she allowed me to room at her house for my student teaching in Winston. Her work after college for the North Carolina Arts Council was an inspiration for me to apply there as well. Next was graduate school. She was at Rutgers and I, at U. of Houston. In later years, my husband and I visited her with Rob in New Bern. After Patsy returned to Mooresville, she slipped away from me I am sorry to say. I am sure your family was thrilled to have her at home again. I pray that Patsy had a wonderful life, and I do hope she was fulfilled, happy, and comfortable in retirement. May God comfort your hearts and fill your thoughts with joyful memories of her special life! May you have peace in thoughts for a bright and blessed future at Christ's return.*

*Love to you all and your families.*
