“ Pat was a very special part of our G.M. Linden family for the 30+ years we worked together. He & my husband ran the trim group (I installed glove boxes). Pat was a larger than life kind of guy who always had us laughing. Unknowingly, he'd put me up to some of the funniest tricks on others, that even today I laugh! The recipients always guessed who put me up to it ❤️ At company picnics, Pat always enjoyed playing baseball with the group & was very good! I ended up being in the dunk tank & it was usually Pat who dunked me in the water the most (he had a great pitching arm & a smile & laugh I'll never forget). Pat always treated me like a kid sister (which always made me feel good). He called me Fidget (female midget cause I'm a tad short). Pat always had a laugh, but always had the most kind heart. It leaves a hole in the hearts of many people. Our sincere condolences go out to Pat's family. God Bless you our special friend. You will be deeply missed.
Our love always, Leroy & Sandy (Fidget) Huelsenbeck

A wonderful sense of humor and an incredible mind. He always saw both sides of an argument. Like his father said, he might not have the right answer but he would always have an answer. He will be greatly missed.
