

Patrick Charles Petti

October 18, 1940 - April 2, 2023

Patrick Charles Petti, 82 of Mooresville, NC passed away on April 2, 2023, peacefully with his family by his side. He was born on October 18, 1940, in Newark, NJ to the late Alfonso and Agnes (Gray) Petti.

A retired AT&T Communications Technician in Cherryville, NJ for over 30 years with previous employment at Lockheed Technologies.

Patrick enjoyed living in Hunterdon County, NJ and Conway, SC.

First and foremost, Patrick loved his family. He spoke fondly of growing up in Newark, NJ surrounded by his aunt, uncles and cousins. He enjoyed cooking, spending time outdoors and driving his John Deere gator and tractor. Past President of the Western Horse Owners Association (WHOA) of Hunterdon County. Patrick enjoyed trail riding especially through the woods and along the NJ beaches. Special times were spent with his children. He participated in Indian Guides with his sons winning a blue ribbon for having the largest kite that flew the longest amount of time. They enjoyed riding dune buggies together and rocket building. Another special family project was building a backyard skate ramp.

Patrick enjoyed going to his daughter's sports games. When she was very young, he would allow her to "play hooky" one day of school each year. They would go shopping and out to lunch.

The grandchildren will always remember Grandpop making the "BEST" pancakes, allowing them to paint his face and going up with grandpop in the hot air balloon at his 75th birthday party. Making homemade pizza dough and

then pizza, going to Jimmy's Ice Cream Stand and playing miniature golf, these were just a few family times that will never be forgotten. Gator rides were always best when driving grandpa quickly down a hill.

Always a hard worker, Patrick found many projects to do around the home. He enjoyed conversations with his family, friends and neighbors. Patrick made sure to wish his siblings and their families good health and to enjoy life.

We could not have asked for a better son, husband, father, father-in-law, grandfather, brother, uncle, cousin, and friend.

"Forever in our hearts you'll stay. We will love you and remember you every single day" RIP until we meet again...

My name is George Paieda.. I worked at ATT with Pat for probably 25 years. I considered him a good friend and a fine person. He was a good technician and was extremely knowledgeable in what we did at our jobs... i always enjoyed hearing the story of how he let his brother's monkey loose in the Ballentine brewery in Newark... I laugh about still!! And I have a picture of the monkey from the Star Ledger... Love you Pat!
