“ Words cannot describe how I feel and what we have lost. Patrick had tremendous passion for everything he did. I was fortunate enough to work closely with Patrick every day. He had so much drive, passion, and strong leadership skills. A natural salesman, Patrick had the “gift of gab” and his large personality filled a room immediately . As much passion as he had for his job it was small in comparison to the passion and love he had for his family. Rarely did a conversation (and we had many every day 😊) not include Ellen, Alexa and Bailey. He loved to share the milestones, and success they were all achieving. His family was always his greatest accomplishment. I never thought I would say this, but you have added an Ohio St. fan with me. I look forward to cheering on the Buckeyes with you!

*I will dearly miss you my friend.*

He was the utmost professional and was passionate about his job and it showed in everything he did for Dealers Supply and Ruud. We are all so sad to see him go so early and our thoughts and prayers are with the entire family during this sudden loss.

“ I interviewed with Patrick for a position in the Raleigh branch. We hit it off from the first few minutes. I knew he would be a great person to work for. We had several things in common, that we discussed in detail (sports/HVAC business). There was never a short discussion on anything with Patrick. He was gifted with gab. Everybody that knew him knows that to be true. He will be sorely missed. God bless the Sanders family.
