“ Tommy & Chip - You know without me saying how much I loved your Mom (and your Dad). My first memory of your Mom comes from when I was only 3 years old and at Lowrance Hospital having my tonsils taken out. After that I have fond memories of all the Saturday night family cookouts. I miss those days so much! Both your Mom and Dad were a big help to me when my Mom was sick prior to her death. It pains me that right now Richard and I are so far away out in Nevada. Wish I could be there to see both of you and say a final goodbye to my Aunt Pat. Love to you both. Your cousin, Jane.

“ To the Rinehardt Family: I am Gail Belk Puntch and along with my brother Bobby we want to extend our deepest sympathy to your family. Our grandparents were Homer W. and Oma Johnson Cox. We visited many times in our childhood with Aunt Zula and Frank, Patsy, Fred and other members of the family were there. It has been a long time since we have seen any of you but we have fond memories. Please accept our deepest sympathy, thoughts and prayers.
