“ *Patsy is my childhood best friend's sister (Kathy) I would see her when I visited her Mom's home. I remember her being shy and quiet and she loved to cook and take care of her Mom. My husband Ronald, and I took Kathy and Patsy out one day to teach them to drive. It was a memorable day when Patsy almost drove through a T intersection. The Driving lesson was over after that! We have lots of memories of family gatherings at their Mom's home and we were considered a part of the family. To the family, I am sorry for your loss. She is with some beautiful, loving people in Heaven. Rejoice that she is whole and not suffering as she walks in her new home with no more pain. You will see her again. God bless you all as you go forward. You all are in my prayers.*

She was a great aunt that I could talk to and bull crap with .. I will miss her so much . I also remember her taking care of my grandma (her mom) She had this thing were she would pick certain days of the week to mop flowers etc . When she cleaned she did it all. She loved her family especially her kids,,
