“ *Janet, I am so very sorry for the loss of your precious husband. You have and always will hold a very special place in my heart. Speaking from my own experience (I lost my first husband unexpectedly at a very young age), the road ahead will not be an easy one. I am always here for you, anything that you need. When you need to talk, please call me. You will go through many emotions over the next few months and that is okay. Remember, that God and your faith will guide you through this difficult time in your life. Love you my dear friend and I am praying for you and your family.*
