“ My most sincere condolences to Paul's family and friends. I enjoyed meeting Paul, Bobbi and Kim last year with Shelia Cannon Guagliano while we were on a family research trip. We spent the afternoon listening to Paul's and Bobbi's stories about their families and looking through photographs, and snacking on Bobbi's yeast rolls. I learned about Paul's military service and was so impressed and honored to know this man and his love for this country. Prayers for each of you as you say goodbye.
