“ *I had the pleasure of getting to know Mr. Brown at Wilkes Senior Village. I would volunteer on a couple of Saturday's each month helping with Bingo and he loved to play Bingo. He was a fine man who always told me he loved me when I left and I would do the same to him. He was a true American hero. My deepest sympathy in your loss. I will miss him as I am sure you will. God Bless.*

“ To the family, Paul became a friend of ours when we met him in the Wilkes Senior Village a few years ago. He and Marshal Craven became friends when they first met at the facility in about 2013. Rena Craven Motter is my wife and daughter of Marshal. We thought so much of Paul and were captivated by the accomplishments he had attained in his live. The most special stories were concerning his part in the war. I will always remember the friendship we had.Our thoughts and prayers to all of the family.Steve and Rena Motter
