“ *My prayers go out to Paula’s family. I was very sad to hear about her passing away. Our families were friends for several generations. Our grandfathers were the best of friends, our fathers were good friends and Paula and I were childhood friends. I remember her as such a fun loving spirit. I remember her as a child dancing around the living room to George Michael and her grandmother Mrs. Lily, just shaking her head. She was always having fun with a smile on her face. I wish I had known that we both landed in NC as adults. She was a beautiful person and I know she is greatly missed by her husband, children and mother. Please know we will keep you all in prayer!*

“ You were a joyful and beautiful spirit, taken too soon from this earth. I still recall your bright eyes, your brilliant mind, and your contagious laughter. You consoled me during my first break-up, and built-up my confidence and courage during my first year of high school. Memories of your kindness, your smile, and your laughter will remain forever in my heart. Rest easy sweet friend, until we meet again.
