“ I always told Aunt Pearl that as long as she was still here, I hadn't completely lost my dad. They were so much alike, as were the rest of the siblings. Aunt Pearl was an amazing woman with a faith in God that withstood everything life could throw at her. Her kind, insightful, and encouraging words to me when my son passed away, helped me through the most difficult time in my life. I like to envision her crossing over into Heaven and seeing fields of green grass covered in flowers for as far as the eye can see; and coming towards her in that field are all those who went before coming to greet her. Hallelujah!

“*Mamaw Pearl was such a sweet and loving woman. I'll never forget the first Christmas I spent with the family, she gave me the funniest gag gift and I realized she was not only sweet and loving, she was hilarious too! I'm so thankful I got to witness this amazing woman in action over the last several years. Her strength and perseverance were so admirable. I only pray I can be half the mother & grandmother to my children as she has been to hers! I am so thankful that my 3 boys got to meet and spend time with Mamaw and I know they brought her so much joy, right up until her last days. We love you Mamaw and we are so happy that you are resting peacefully now, seated at the right hand of our Heavenly Father and reunited with your boys and all those who went before you. We will Miss you, and can't wait to see you again someday.*”

*Aunt Pearl was a amazing women, she loved everyone. I can always remember when Linda, Robert, Rodney and myself were in Barium Springs Aunt Pearl would come and bring us to her house for the weekends. We always had a great time. And when I had surgery at the age of 6 my Aunt Pearl was the one at the hospital with me. I'm happy to have so many memories with her as child. I'm happy to know she is finally at home with the rest of her family. Love to Aunt Pearl's family who have been there for her all these years.*
