“ *I was blessed to have Peggy as my neighbor. She loved flowers and made a potted plant of "Hens and Chicks" for me because I said I didn't have any potted plant. She enjoyed showing me her gold fish pond and explaining to me how the fish stayed warm during cold weather. Years later I was privileged to work with her at Mom's Country Store and Restaurant in Cornelius. She managed the store and I hosted and ran the cash register but she was always as ready and willing to help me as I was to help her. We always found time to have fun. I will never forget how much we laughed at each others "life-time" stories. I especially remember her surprising me on my birthday with a vase I had admired in the store. I have so many memories of Peggy that space would not permit me to print. She was a very sweet, beautiful and wonderful friend who will not be forgotten down here or in Heaven where I know she is laughing and having lots of fun. I love you, Peggy.
