“ Sad to hear about Pete's passing. A true good guy who was a master of his profession. Pete was an individual who one could count on to help out in almost any technological situation. He had grace, style, and just a great person to have know. May his memory remain eternal

“ I send my deepest condolences to the family and friends of Mr. McLaughlin. While no words may ease your pain, rest assured that the pain we feel won't go on forever. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they're resurrected back to life. Once resurrected, they can enjoy the promise found at Revelation 21:4 which speaks of a world in which death, tears, mourning, and pain have no place, for “the former things have passed away”. Please visit our website at [jw.org](http://jw.org) to learn about this beautiful hope and more.
