“ Just found out that a good friend of mine passed away at the way too young age of 52. I met Phil Goodin when he was working for City Chevrolet in Charlotte NC as he sold me my first GMC Denali. Over the years we would stay in touch and I have bought many more cars from him over the years as he moved from one dealership to the other. Whenever I think of buying a car I would always think of Phil because he was the consummate professional sales person. Easy to deal with, always available for his customers and friends, and you could trust everything he said as he was always a man of his word. He often shared stories of his family that he loved very much every time we got to talk or see each other. As I hear of his passing I am reminded that life is way too short and you should live life to the fullest each and everyday. We are guaranteed nothing. Never leave anything on the table. Resolve whatever grudges or issues which may be keeping you apart from those that you love and that love you. Tell those close to you how much they mean to you each and every day. I know Phil did. I have no doubts that every person he ever met feels the same way as I did about him. It was his nature to make each person he met feel special. He will be truly missed. May God bless his family and comfort them as they deal with the great shock of his untimely passing. Rest in peace my friend, you will truly be missed by all.

“ *For the Family, I cannot tell you how sorry I am for your loss. I am more sorry that so much time passed without getting together and talking more than we did. It just goes to show you that time is precious on this planet and you should never let a moment go by without saying a "hello", or "how are you?" Phil meant the world to Josh for taking him on every motocross race he could and letting him ride at your house. Thank You for being so very kind. The earth will not be quite the same without Phil.*

“ To Phil's family. I met Phil at Steve Moore Chevrolet back in January 2015. He sold me a beautiful new 2014 Silverado. Phil and I spent time talking about family and I really enjoyed his passion and personality. He was a great salesman and I thoroughly enjoyed doing business with him. Then in July of 2016 I took my 2014 truck in for service and Phil I began to chat. During that visit he convinced me to look at a new 2016 Silverado and suggested the price was really good with manufacturer incentives. So we spent a few hours looking at many trucks trying to find just the right one. He found it, he took care of everything I asked for. He always did it with plenty of professionalism. I would stop in from time to time just to visit with him. He was a great guy. Well, today I stopped in for a small part looking forward to seeing him but he wasn't there. Wil, the manager, who also knows me and knew that Phil was my salesman advised me of this sad news. I was shocked and saddened. I gave Wil a donation to the memorial that he said the dealership had started for him. I was honored to participate. In closing I will always miss seeing his smiling face and will miss our sit down conversations when I go there. My heart is with your family. Please know that I really enjoyed Phil. He was a great person and it saddens me deeply to hear of this news. Just had to share this with you. I was just a customer of his but let it be known, he touched many people in his life, including this customer. May God be with you in this very sad time....Respectfully, Jeff Meyers

“ Phil was a great car salesman, a great father, and a great friend. His humor was unparalleled and he was always kind & generous. He was so proud of his children, and cherished his time with them. He will be missed, but I know he is with his father in heaven today.
