“ I am very saddened at the loss of my cousin Diane. I have been reflecting on our life with our families, growing up together, the family gatherings as a kid and later in life. Diane always showed the greatest kindness to me and my family. She was truly someone who could make you feel special. It is disheartening to lose her. I will keep her and her family in my prayers. God has a special angel in Heaven now.

“ My heart is broken and I have no words to express the heartfelt feelings of loss. She was and is a shining light for us. She was always so kind to everyone and you always felt like you were her main focus when she was with you. She always loved and cared for us all. I continue to pray and think of your family daily.

“ I am numb at my cousin Diane’s death. Mother, teacher, wife, friend, family. I had never expected us to lose her this way. It is a huge loss. Diane and I grew up together. Aunt Bobbie and Uncle Grier took us to the mountains, the beach and to Lake Hickory where Diane and I leaned to water ski. Wonderful times! Over the years we saw each other periodically, less so in last few years but we always touched in with each other to make sure all was well with each of us. I always knew she was there, a part of our family of cousins. She died on my birthday to make sure I will always remember her. She will be a part of my day as I grow older and I am glad she left me this. I would never forget her - none of us would. I know she is with her Mom and Dad, Aunt Bert and Uncle Troy and the rest of our family who have left us. I have no doubt that she has a beautiful new set of wings and will be looking after her family as a guardian angel and hopefully she will, on occasion, spread her wings over the rest of us. God bless Diane and keep her safe always.

The Krege family from Banner Elk lived next door to Diane and her family and our girls babysat Christy and Russ. Diane was a great friend and neighbor. She was a devoted wife and mother and loved her family dearly. God bless the family as they mourn the loss of Diane. The blessing of this all is that we know she is in the arms of Jesus! Praise God!

“ *Diane delighted in being a child of God, loving her family, loving her profession, loving her students. Always enthusiastic in tackling any task at hand. Energetic! Passionate! Planning the best field trips! Loved children's literature! Sharing her dad's ripe tomatoes fresh from the garden! I treasure my memories of Diane and she will be missed.*
May you find peace. Love, Jean Beasley

“ *Diane was one of my best friends! She was the first person I met at Mars Hill College and has been my friend for close to 53 years! We experienced many fun days at college, went to the beach together, had lake parties with friends, were in each other's wedding, and got together to visit as we had families. In the past years, we would meet for lunch and catch up on things and then go shopping. I loved Diane and will miss her so much! She was a wonderful friend and lovely lady. I was previlliged to know her! Lynda Battey*
