“ *Joey.. I am so sorry to hear of your mother's passing. Even though we never met in person and only in a game, It was enough to know that she was a giving and loving person and loved you more than words can say. She raised a beautiful daughter.*

“ *Price, joey and family....I am so sad to learn of carmen s death. I have such happy memories of time spent with her. She was a wonderful woman. A kind and generous friend with great sense of humor. We reconnected on fb after 30+ years and she was still the same carmen, offering help to me when i was going through difficult times. Joey, you were the light of her life. All she talked about. She loved you dearly. My deepest sympathy and prayers to you both and the family.*
