“ I send my deepest condolences to the family and friends of Mr. Beale. Although I don't know the family personally, I'd like to offer some consolation from God's Word, the Bible. John 5:28, 29 talks about the hope of seeing our loved ones again when they are resurrected back to life. Once resurrected, they can enjoy the promise found at Revelation 21:4: “And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain by anymore. The former things have passed away.” May this beautiful promise bring hope for the future and peace of mind now!
