*I am sorry for your loss. I can say Dr. Thakkar was a great physician, so I know in my heart he was a love and a light to his family. Dr. Thakkar took very great care of my father Richard Curtis. He was always full of compassion for him. My mother Joan Curtis just had a visit with him and he was cheerful and showed the same compassion for her. I will hold you up in my prayers and I will be thinking of you all as the days and nights come to pass. Love to you each one, Joyce Curtis Bumgarner*
