“ *Morrie was my best childhood friend. We were in the Boy Scouts, grew up listening to the same music and going to concerts. We went to college together and pierced our ears at the mall our freshmen year. I knew the family well and miss Melissa, Mutt and Bess. Morrie visited me when I lived in Atlanta and Miami Beach. We grew apart over the years but he was often on my mind and I've missed him. I am very sad to hear of my friends passing. I will always have these fond memories and am grateful for our time together. I send my sincere condolences to his family. Robert Stout*
