

Ralph Taylor

December 19, 1945 - January 14, 2022

Ralph Douglas "Doug" Taylor, age 76, passed away on January 14, 2022. Ralph was born in Dayton, OH to the late Ralph Taylor and Viola Reed Taylor.

First and foremost, Doug loved God and served Him faithfully. He was the ultimate husband and father. He loved spending time with his wife. Additionally, he enjoyed spending time with their children and grandchildren coaching them, attending their ballgames, dance competitions, and other events. He was a role model for his children and grandchildren by showing them how to live as a Christian, be an incredible spouse, and parent. He taught them everything he could from writing in cursive to changing tires to balancing a checkbook and a great work ethic. He enjoyed golf, sports cars, softball, camping, fishing, boating, hiking, traveling, time at the beach, and hanging out with friends. Doug served our country in the US Army as a Green Beret in the Vietnam war. Doug "talked the talk and walked the walk" and was a very honorable man who will be missed greatly by his family and friends.

He is survived by his loving wife of 40 years, Deborah Taylor; children, Brandon (Paula) , Jody Taylor-Dunn, Justin Taylor (Amanda), Ryan Taylor (Amber); grandchildren, Alexis, Taylorae, Isabella, London, Presley, Natalie, Angellina, Marissa, Cypress, Mason, Chloe; brothers, Russ (Joann) and Ed Taylor; sister, Sandy (Gary) Vosick; numerous nieces and nephews; and his beloved dog, Jake.

“ I was shocked and saddened by the news of Doug’s passing and it’s taken a few days for me to process this. Doug and I worked together for 20 years and he was not only a colleague but also an advisor, collaborator and friend. Doug was always available to listen when needed, provide counsel, and sometimes just talk about random things. As we age, time goes by so quickly and I’m sad to say that it’s been a bit over 20 years since we’ve been in contact, but as I thought about our relationship, I remember a person who was youthful, strong, athletic, and appeared and acted as if he were at least 10 years younger than he was. Socially, Doug was a competitor, a teammate, and a fun person to be around. Doug was slightly older than me but we both married younger women who were contemporaries and led to common interests and a number of special moments. We had New Year’s Eve house parties, bowling competition, Euchre and Crazy Pinochle games, golf league play and softball games and even a Murder Mystery night. When people who have been close to you pass away, it gives rise to thoughts about your own mortality and how life is so short. Doug left us all too soon, but his was a life well lived and he was blessed with family and friends who will remember the great person he was. Condolences, Debi and family on your loss.
