“ Mona, I miss you so much. Thank you for always being there for me since I came to the United States over 30 years ago. You were like my mother, friend, and god mother. I was blessed to have you in my life. I am so glad that my children got to meet you. Thank you for the knitted hats and scarves you made for us. I will always cherish them. Say hi to Bob for me. Love you much. Your other daughter, Christina
