“ *My papaw! I'll be the first to share memories of us. I have so many. Where do I begin. First can begin with Breakfast. YOU are the reason I love breakfast. My first and all memories with you is over breakfast.*

I have shared this story many times way before papaw you was even getting old. With my friends, family and even now my bf Jonah who means a lot to me. I've shared how much breakfast is my fav meal and it's bc of you papaw.

I used to stay at your house all the time as your granddaughter. Your first granddaughter. You would tickle me in my nose or ear to wake me up. As soon as I would open my eyes you would immediately then Ask me "are you hungry " then you papaw would go and get whatever I wanted and make my plate and bring it to me. I miss you so much already
