

Rasheed Aimhanesi Yakubu

June 23, 2014 - June 23, 2014

Rasheed Aimhanesi Yakubu, MD

(October 17, 1975 - June 23, 2014)

Rasheed A. Yakubu, M.D., 38, of Mooresville, passed away on Monday, June 23, 2014 in Rockingham.

He was an OB/GYN specialist with a particular interest in uro-gynecology and high-risk pregnancy, who joined FirstHealth Richmond Medical Group's Women's Center in Rockingham. He previously had been associated with The Women's Care Center, an OB/GYN practice in Huntersville for three years.

Born in Nigeria, Dr. Yakubu said it was never his intention to leave his native country but that fate apparently had other plans. Previously a biochemistry major at the University of Benin in Benin City, Nigeria, Dr. Yakubu changed his major to microbiology after joining his sister in the United States. He fell in love with caring for patients and their loved ones while volunteering in the clinic where she worked. Dr. Yakubu earned his B.S. degree from the University of South Florida in Tampa, where he was on the Dean's List of Scholars, and his M.D. from St. Georges University School of Medicine in St. Georges, Grenada, in 2004. A residency in obstetrics and gynecology took

him to New York and the Jamaica Hospital Medical Center in Queens.

Dr. Yakubu was board certified in obstetrics and gynecology and has been married for 11 years. A love story that began 18 years ago when sisters Elizabeth and Darlene brought them together on a blind date. Although it was not love at first sight, Rasheed's persistence and nice shave would eventually win Rachelle's heart. Together they thrived personally and professionally through undergrad years, graduate school, medical school, residency and lots of moving around. Throughout it all, Rasheed's love for his family was evident in everything that he did. His love for Rachelle was a real-life fairy tale.

Rasheed will be greatly missed by wife, Rachelle; son, Rakeem; daughters, Rehanna and Raina; mother, Caroline; father Ikhazs (deceased); sisters, Elizabeth, Darlene, Hope and Juliat; brother, Armstrong; a loving extended family of Moran, Sanon, Dean and Yakubu; and a host of friends, colleagues, and loved ones.

Funeral services will be held at 2:00 PM on Sunday, June 29 at Cavin-Cook Funeral Home Chapel. The family will receive friends on Saturday from 5:00-7:00 PM at the funeral home.

Cavin-Cook Funeral Home, Mooresville, is serving the Yakubu family. Condolences may be made to the family at www.cavin-cook.com.

“ *I met Rasheed and Rachelle back in our undergraduate years about 17 years ago, I always remember them being tied at the hip. He managed to maintain the same amazing humor and kind heart through all those years. What a great human being, gone way too soon. Lala Kahle Rasheed. Sending my condolences and prayers to Rachelle and their beautiful family.*

“ Dear Rasheed, I am deeply saddened to hear you have gone to be with the Lord. My thoughts and prayers are with your family. I knew Rasheed when I was a Neonatologist at Jamaica Hospital. He was such a patient and calm person and had that effect on his patients. He was a truly professional and I was sorry to see him leave Jamaica. Losing a parent is such an irreplaceable loss and I sincerely pray for strength at this time for his young children and wife. If there is anyway I can be of help please email me. Lakshmi

“ Rochelle, When you see a smile realize that Rasheed smiles with you, for all the wonderful times you shared. When you hear a roaring laughter think of all the funny things that could never had happened without you and him. When you hear a child cry, dry your tears and don't mourn but celebrate all that was joyful in all the years together. When you feel a gentle breeze stop and listen for a moment, you will hear his voice reassuring you to keep your head held high. At best when you hear a lovely song think of music, gatherings, holidays, and parties, the memories that can never be silenced. When you hug your kids remember his touch and know that he is hugging you and keeping you close. When you see a rainbow and the sun shining through the raindrops remember the promise of God and rest assured that he is at peace and forever present.

“ *I am very sorry for your lost. When I seen him a couple of weeks ago at the hospital he had the same nice smile on his face. He always seem like he cared. He was one of the nicest people I have ever meet. When I got a phone call Tuesday I was shocked to find out he was gone. My heart goes out to the family. He will be missed!*

“ *Sending my condolences to Dr. Yakubu's wife, children, staff, friends and patients. I was saddened to hear of his passing, and I am still trying to process this great loss. He was a genuine and sincere physician that always went above and beyond. He is truly irreplaceable and was one of a kind. His smile and words of encouragement calmed my fears and concerns during my office visits with him. I was truly blessed to be one of his many patients. I pray for peace and comfort for his wife and children. R.I.P. Dr. Yakubu. You are truly missed.*

“ Rasheed was a sermon in song for what it means to be a loving husband, nephew, friend, son,... & you name it. I am forever blessed to have had the priviledge of having known him over the years you Rachelle . My greatest lost is that I failed to fully know him as my nephew. I will endeavor to be more loving, more Christ-like, more like you have been. Thank God that those who fall asleep in Jesus will be re-united in Jesus @ the ressurection in the last day. Oh how you are missed- especially by your precious family. OH HOW YOU ARE LOVED- ESPECIALLY BY RACHELLE, RAKEEM, REHANNA, RANIA, ELIZABETH, ARMSTRONG & THE REST OF THE YAKUBU FAMILY. Smooches.

“ It was an honor and a privilege know Rasheed and be part of his training and education at Jamaica Hospital. He was truly a joy to be around and to to teach. He was so gifted, dedicated, warm and compassionate. Rasheed was a blessing to his patients and to the staff that worked with him. My condolences to Rachelle, the children and all of the family on this tremendous loss.

“ I work in the medical field and have worked with many different doctors. Dr. Yakubu was the kindest and most patient Dr I have ever met. No matter how silly the question he would answer it fully and he never made me feel like he was in a hurry or too busy to answer questions. He took his time and explained everything fully. He stayed with me until 4 am for the birth of my second son and made sure I knew he was important but so was I. I feel so deeply sorry for his family and I think Richmond county and the women here have lost a wonderful doctor. Words can not express how sorry I am. He really was a wonderful, kind, and patient doctor and he will be missed. His family is in my prayers.

“ *To the family of Dr. Yakubu: I have only known Dr. Yakubu for a short while. I was a patient of his. I am so grateful for the one year that I came to know him. He was the most caring doctor that I've ever met. His genuine smile always made me feel "ok" even though I was going through a lot physically. I want you to know that I have prayed for you daily and that I know that he is in heaven. I pray you will find some comfort and peace during this time. God bless each of you.*

“ Heartfelt condolences to the wife, children and family of Dr. Yakubu. The Women & Children's unit at Richmond Memorial Hospital was like a little family and he fitted right in. His smile, laughs, singing and kind gestures will be greatly missed but will be life long memories. It was a pleasure working with him not only at RMH but for the past 3 months at Moore Regional, it was always good to see a familiar face in a new place for both of us. To the family whom I had the pleasure of meeting once and he talked about often, you will always be in my thoughts and prayers. God bless!!

“ So very sad to hear that this wonderful man has passed! I knew him when he worked at Jamaica Hospital as a resident. Although I only knew him casually, as I worked in the NICU, I could tell that he was a very warm and caring person, and very friendly. He left such an impression on me. Such a profound loss. God bless him and his family!! My condolences to all his family and friends.

“ Rachelle, as you, the kids, family and friends go through these 2 days. I am praying for you all, although its painful and sadness, the gift of Dr. Yakubu to us for the 38 yrs he lived will linger in WHY minds. God promises to give strength in times like these. He will gird your loins with strength. Hold on to courage and He's gone but will never be forgotten.

“ I worked with Dr Yakubu in L&D at FirstHealth in Pinehurst. He was a gentle and kind soul who will be greatly missed. He brought a smile to all of his patients and also to all of the staff he worked with. He talked so highly of his wife and children, you knew he loved them and he was well loved. I was amazed he drove his family all the way to Niagra Falls just for a weekend recently, because that was what the children wanted to do. He will be missed.

“ He was such a caring person and doctor. I truly enjoyed working next to him these past couple of months at Moore Regional's L&D. It was such a pleasure to meet him. He was always eager to share his experiences and offer advice. It's such a tragedy that he died so young and my thoughts are with his wife and children. You all have already sacrificed so much for his career to which he devoted himself, as being a physician often takes you away from those whom you love the most. I hope that you can seek some solace in knowing that he was a great physician who cared greatly for his patients. He talked about you all often and I know that you were always here with him at work, even when you weren't physically next to him. I'm so glad that I got to meet him and work with him these last 3 months. He will be sorely missed.

“ I send my deepest condolences to the family and friends of Mr. Yakubu. Although I did not know him personally, I'd like to offer some consolation from God's Word, the Bible. John 5:28, 29 speaks of our loved ones being resurrected, and eventually living in the conditions described at Revelation 21:4, which reads: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain by anymore. The former things have passed away." May the promise of this beautiful resurrection give you all hope for the future and peace of mind now!

“ *Dr. Yakubu had my wife as a patient in Jamaica Hospital. She was about 2 months pregnant. He just happened to walk into the ultrasound room while the sonogram tech was doing the sonogram. He glanced at the screen and seen it was abnormal. His instincts knew that something was not right. He asked what about the symptoms my wife was having and concluded she had to have emergency surgery, her phylopean tube had rupture, due to an etopic pregnancy. He operated on her and removed her tube was correct about his instinct. If he had not happen to come into the ultrasound room at that particular time, my wife, could've had a different outcome. My family is grateful for what he has done, he's a great man.*
