

Ray Cheyney Cox

September 30, 1966 - November 15, 2024

Ray Cheyney Cox, 58, of Mooresville, NC, passed away peacefully on Friday, November 15th, 2024.

He was born on September 30, 1966, in Alleghany County, NC, to the late Tish Cox. Ray's life was one of deep faith, love, commitment, and service to his family, friends, and community. Ray was a devoted husband to his wife, Julie, and a loving father to their daughter, Zoe. He was also a foster parent to eight children, a testament to his compassionate heart to make a difference in the lives of others. His dedication to others extended beyond his own family, as he was an active member of Hopewell Baptist Church in Davidson, NC. There, Ray worked with the Youth program, the Awana Club, and participated annually in World Changers, where he touched many young lives with his kindness, faith, and wisdom.

Ray's passion for life was evident in all that he did. He loved attending Wake Forest football games, playing Rook, golfing, and enjoying basketball and fishing with friends. Those who knew him will remember his infectious smile, quick wit, and the many jokes he shared that brightened the days of everyone around him.

Above all, Ray's greatest love was for the Lord, his family, and his many friends. His presence will be deeply missed by all who knew him. Ray is

preceded in death by his mother, Tish Cox, his brother, Clayvan Cox, and father-in-law, Ander Cox.

Left to cherish Ray's memory are his beloved wife, Julie Cox; daughter, Zoe Cox; mother-in-law, Martha Cox; brothers-in-law, David Cox (Carla), Donny Cox (Martha J), John Cox (Robin), and Douglas Cox (Shannon); special cousins, Peggy and Dudley Hartsog; as well as ten nieces and nephews and eight great-nieces and nephews.

A memorial service celebrating Ray's life will be held at 2:00 PM on Thursday, November 21st, 2024, at Hopewell Baptist Church in Davidson, with Rev. Sammy Pierce officiating. The family will receive friends immediately following the service until 4:30 PM.

“ It truly hurts my dear sweet heart at the pain and loss Julie and poor Zoe had been going through, having lost such a great man and too soon at that. His loving and kind soul will live on through each of our hearts. I truly believe that he is up in heaven, watching over us with that same kind smile. And despite us not always feeling it, he is truly always with us to watch over us.

“ I'm so sorry to hear of Ray's passing. I too work at Trane and he would often stop with a quick conversation about his retail working days, family, his faith, the mountains and how happy he was at Trane Technologies. He spoke highly of his wife who he credited for his presence at Trane. He was a great person, authentic in heart with a lot of wisdom. My prayers and condolences go out to his family.

“ Julie and Zoey.

Words cannot describe how heartbroken and shocked I am to hear of Ray's passing. We have worked many years together and if there is a true Saint, it was him! His devotion to his family, church, friends, and work, he truly was a Saint! He talked highly of his family, his religion and was always kind, hard working, funny and so much more! I am so blessed to have worked closely with him for so many years! I'll miss his talks about Wake Forest, his family, his advice and I'll especially miss him as a whole! What a wonderful man he was, truly! I'll forever feel privileged to have known him! Thank you for sharing him with his Trane Technologies family! He will be sorely missed! Hugs to you, Zoey, his family and friends! This world will never be the same without our Ray! Hugs to you all.

“ I will always remember how kind Ray was to my mom when she shopped at Lowe's. She would tell me "I saw Ray today. He's so sweet." He was my best friend's husband and I was there the day they tied the knot. He couldn't stop crying and when the door opened for Julie to come out...oh boy. It was like Niagara Falls. He was full of love but was also very real.

“ I worked with Ray at Lowes Foods. Ray was so awesome. He could get along with anybody. We had such a good time working together. One of my favorite memories of Ray is when he got his shirt caught on some pipes in the back room and all of a sudden water started spraying him and he got soaked. He came back to produce and was trying to dry his shirt with a hot air gun we used to make fruit baskets. To his wife and daughter I'm sending you my condolences along with love and good vibes. To Ray rest easy my friend and I'll see you down the road

I am deeply sorry to hear of Ray's passing. I work in Building A, where I frequently spoke with Ray about our golf games. Just last Thursday, I shared with him my plans for an upcoming game, and I am very saddened that I won't be able to tell him how I did on Tuesday.

Ray and I also often talked about his daughter's competitive swimming, as well as Michigan and Wake Forest football and basketball. These conversations were always a highlight of my day, and I will greatly miss our chats and laughter.

Ray was a genuine and kind person, and his presence will be deeply missed.
