“ Our condolences go out to Shorty's family, friends & of course Kathy. We met Shorty over ten years ago. He was a great guy with a great sense of humor. We heard many NASCAR stories. His experiences there and with the friends he made was a big part of his life. We didn't get to see him much living over 5 hours away. We wish we could have spent more time with him. He was a Gem and he will be missed.

We love you Shorty!

“ Shorty dearest friend to my wife and I. Remembering all the good times we had . A Man Short by nature but you were big in life my friend.Godspeed.

“ What a wonderful man. In 2000 I moved south to go “big time” NASCAR racing and was hired by BACE Motorsports. Shorty was the first truck driver I ever worked with. He was the toughest SOB I ever met, I think he was hard on me because I was from the North East as well. Over the years, we became very good friends, he always was concerned about me, and as I grew, about my family as well. He had such a wonderful heart and he will always live in mine. Godspeed my friend, you will be missed by so many. Love you buddy.
