“ I send my deepest condolences to the family and friends of Mrs. Byers. Although I don't know the family personally, I'd like to offer some consolation from God's Word, the Bible. John 5:28, 29 speaks of our loved ones being resurrected, and living in the future conditions described at Revelation 21:4, which reads: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain by anymore. The former things have passed away." I pray that the promise of this beautiful resurrection gives you all hope for the future and peace of mind now!

“ I am so sorry for your loss. Although, I do not know your family personally, I would like to share some encouraging thoughts from the Bible. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope.

“ I am deeply saddened by the loss of my Aunt Regina. It has been a long last several years for our family. The loss of so many links in our family chain can easily lead to those that remain no longer being connected. However, with this bond that we have developed through so much pain and with the prevalence of social media, I do hope our chain is somehow strengthened through all of this. I do dearly love my Mooresville family!! I have wonderful memories of my silly aunt in her visits to Cary or ours back home. As a kid, I remember playing on the huge carpet rolls at the store or going to the park with my cousins. I definitely cherish all those Christmas Night memories made on Manor Circle. Recently, with the loss of my father, grandmother, and uncles, we grew closer. Sharing the stories from the past as well as those about her grandkids and my little girls is something I hoped would continue. There were more stories to tell and more memories to be made. Regina, like her parents & brothers, left us too soon. My thoughts, prayers, and love are with Bill, Ben, Bonnie, and the kids as well. Regina was a special person. The whole left by her passing won't go away and the pain and sadness never will totally subside. Time does allow you to adjust and heal as you face this new reality. One thing that made that process easier for me was hearing from those whose lives were touched by the people I've lost. Regina definitely impacted my world. In that way, she will live forever. It you all, too, you will see the ways that she carries on, touching your lives forever.

“ Bonnie and family. I am so very sorry at the loss of your dear mother. I unfortunately never met her but, Lauren's family thought the world of her and spoke kindly of her always. There's nothing quite like losing your mom. As someone who has walked this road my heart is broken for you all. May the love of family and friends and the presence of Jesus the peace giver be with you all at this very difficult time and transition. With love and prayers, Nedra
