“ I'm going to miss you my Sis. Your smile and laughter could light up a room when you entered it.  
As teenagers we'd have fun staying at your house just sharing our dreams with one another and cooking out, our pajama party, and your mama would take us riding around hitting yards sales.  
So many memories we share. You'll always be in my heart. I'll love you always my dear friend. You're free of pain and suffering now.

Oh, the stories I could tell. You and Joe were my favorite friends. We would crash at my house or yours. Loved your Mom and Dad too. My parents thought alot of you and my siblings. You were the one that introduced me to Ronnie "Sab wa fair". I think of him often. I know you and him have reconnected with your Sweet Mom. Give them my love. All of your pain and suffering is gone now. You are missed. This is NOT good bye, it is....I'll see you later.
