“ I met Rhylee in 2006 at the Mooresville YMCA. I worked with her as my personal trainer for a month before I went to Army basic training. I had spent a lot of years sitting behind a desk, and needed a lot of work to get in shape. To say that Rhylee changed the course of my life would be an understatement. I owe a lot to her encouragement, coaching and advice. It's a debt that can never be repaid now that she is gone. She made a difference in my life, and in the lives of my family.

“ Rhylee was my first ever roommate at Peace for the summer writing institute. We did not keep in touch, but I just learned about her passing. She was a fun, kind person. May God bless you and your family in this time of sorrow. Michelle Aheron Peace College, class of '89

“ *Words cannot express our sorrow for the family of Rhylee. The journey has been long and tough for all of you, Rhylee has begun a new journey that is pain and worry free. Although she left you too soon, she is now with our Lord and Saviour watching out for you in every way. Bill and Glenda, you were the best parents ever, and if your daughter was anything like you, she was special, sweet, loving and a Christian. Our prayers are with all your family. Love you.*
