“ *Sue and family- Just found out about Rick's passing please accept my deepest sympathy. Although I haven't seen Rick in years I have great memories of hanging out with him he was a good friend and a lot of fun to be around. We played a lot of basketball together especially after high school and he made himself a great player. Wish I would have one last chance to talk to him and catch up. You and your family are in my thoughts and prayers.*
