“ *Dear Betty Jo, I was so sad to hear your brother, Rick, had passed away at such a young age. I remember him so well from high school. He always had so much energy and was such a great friend to many. I will remember him with respect as a veteran, a respected citizen of Mooresville, and a fellow class member of our beloved MSH.*

“ Rick was a long time neighbor and classmate from "Dear ole Mooresville High". He kept up with the news and called me regularly to share tidbits or ask what I knew about any number of topics(football, Lebanese recipes and cooking- Lynda answered these, church issues of the day, friends who were with sick or passed). I always learned a lot more than I was able to impart, but will always have good memories from our long calls.....will surely miss you buddy ! Rest in the arms of our Lord.....Steve Robinson, Mooresville

“ I am saddened to hear about the passing of Rick. My brother Rick Richardson has been keeping in touch with him by phone for many years. When he was talking to Rick I would grab the phone and always had a delightful conversation. In spite of his health conditions Rick was always upbeat and funny. I didn't know that he was a fellow veteran and that he was stationed in Guam. I took a submarine out of Guam a couple of times a year but our paths never crossed. So here is my tribute to Rick and a well deserved salute to a fellow veteran.
