

## Robert "Bobby" Allison

December 3, 1937 - November 9, 2024

With deep sadness, the family of Bobby Allison announces his passing at the age of 86. He passed at home on Saturday, November 9, 2024, surrounded by family. He had been in declining health over the past few years but continued to give back to the sport he loved.

Bobby was the ultimate racer's racer and fan's driver. He thoroughly enjoyed spending time with his fans and would stop to sign autographs and have conversations with them everywhere he went. He was a dedicated family man and friend, as well as a devout Catholic.

Arrangements have not been announced. In lieu of flowers, the family asks that you consider donating to Bobby's home church (St. Therese Catholic Church in Mooresville, N.C.), your local Catholic church or diocese, International Motorsports Hall of Fame Preservation Society or Victory Junction Gang Camp.

Bobby was born in Miami, Florida December 3, 1937, to Edmond and Katherine Allison. He was the fifth child of thirteen. In addition to his parents, Bobby was preceded in death by his wife of 55 years, Judy; sons, Davey and Clifford; great-granddaughter, Eleanor; three siblings that passed as babies, and two sisters, Claire and Margaret.

He is survived by his daughters, Bonnie Allison Farr and Carrie (Scott) Hewitt; 11 grandchildren, Brandon Allison, Tanya (Chris) McKay, Leslie (Joshua) Hinton, Ashley (JD) Corley, Heather Hill, Krista (Jordan) Sheinfeld, Robbie Allison (Julianna Patterson), James Farr III, Andrew Farr, Haley Hewitt, Zoey Hewitt; 14 great-grandchildren; brothers Eddie (Penny) Allison, Donnie (Pat) Allison, and Tommy Allison, Sr.; and sisters, Pat (Albert) Moniz, Jeannie (Paul) Otto, Aggie (Donnie "DJ") Johnson, and Cindy (Tom) Kincaid.

Cavin-Cook Funeral Home and Crematory, Mooresville, is serving the Allison family.

Condolences may be sent to the family at [www.cavin-cook.com](http://www.cavin-cook.com).

“ Bobby was my very first NASCAR Idol, he was a very soft spoken gentleman that endured more than his share of heartache. I pulled for him to win the 1983 championship which he subsequently did. I was so happy for him that I called him the next day on the phone to congratulate him, but Judy said he was sick in bed, but would pass the message along to him. Godspeed to Bobby, Judy, Davey, Clifford and Neil, may the "Alabama Gang" live on forever, take care RedFarmer. Lonny Williams, New Windsor, IL

“ My Husband David and I met Bobby in the garages and Safety Kleen trailers at different tracks. Even during his darkest times Bobby always had a hug and hello with that big grin. He would ask me where's what's his name (my husband) and just laugh. I have a treasured picture of him asking me this questions and just as the camera snapped a picture he put that big hand over my husbands face. A true Southern Gentleman and Nascar Champion.. I always smile when I think of him.

“ Bobby was my racing hero. In 1984 I met him in Oil City, PA at a Quaker State autograph session. I learned of his racing and aviation contributions. He inspired my love of racing and engineering. When I moved to NC I followed his career and did meet him a few other times. He was always so kind. I loved listening to him tell his racing stories. His smile will be missed. My heart is sad, but I know he is at peace. The checkered flag has waved, and he is now in Heaven with Judy, Davey, Clifford, Neil and so many others. “ I had the pleasure of meeting Bobby in the 1990s when he and Davey visited Santa Fe Speedway in Burr Ridge, Illinois. He was incredibly kind and gracious to all of the fans that had gone to the track to watch Davey race on the dirt track in the Chicago suburb. He was an absolute legend in NASCAR. Rest in peace, Bobby!

“ *I am saddened to hear of Bobby's passing. He was a great driver and champion but an even better human being. I will never forget meeting Bobby at Riverview Inn restaurant in Charlotte, NC in the early 1980's. I was a kid and big fan. He was kind and cordial to me (although I had interrupted his family dinner). I was a huge fan of Davey as well and had the opportunity to interact with him many times. Th Allison family are just great people. God bless you all during this tough time. Prayers for you all.*

“ Our hearts are broken but know that Bobby is at peace and back with Judy, Clifford and Davey. We are sorry for the entire Allison Family for their loss and sending prayers to all who knew Bobby. We were very fortunate to meet Bobby thru mutual friends. The 1st time we met I just couldn't believe that I was sitting talking with Bobby Allison & listening to so many racing stories like he knew me already he is so kind. The 1st time I got my picture taken with Bobby was at the Daytona 500 in 1974 my Mom and I just walked into the pits some how, I was 18. Bobby was a hard charger and made NASCAR. We would see Bobby at Daytona and Charlotte every year and go out to dinner with our group of friends. In February we would always go to Porto-Fino's in Daytona. The 1st time we had dinner with Bobby there I thought it was so awesome they brought Bobby a Miller High Life Beer as soon as he sat down, he was still supporting his sponsor from so long ago. We will miss Bobby this February at Dinner and I am having a Miller High Life in his honor. RIP Bobby it is an HONOR to call you friend.

“ Thank you for allowing a private citizen to honor Bobby in this way! I was a EMT at Tri Cites Airport when he came to the fall Bristol race. He said that was the first race he had attended since Davy's passing and it was such an honor to just let him talk. He was very appreciative of these few moments we had it seemed to me and it has always been an honor for me! “ I wanted to offer my condolences to the family of Bobby Allison. Bobby was always one of my favorite drivers. He was tough as they come, friendly as they come, and just SUPER NICE! I met Bobby twice at the West Gate Mall in Spartanburg, SC. The first time he was there promoting his bid for the Grand National Championship against Darrell Waltrip. The second time he was there as a guest of a cell phone company. He offered me his autograph on both occasions, and we had a short chat. He did a lot with whatever car he was driving, and always gave it his all. Bobby, rest in peace, and win some of those hard charging races in heaven.

“ I have a load of great memories of Bobby and actually the whole gang. But Bobby was such a wonderful man even at 77 I can't put into words what he meant to me and the great times we had when I'd head down from Kentucky. One of the funniest was on a Saturday night at the fairgrounds where they raced their stock cars and Red Farmer won. Well we headed out for some cold beverages and I started it and the rest of the gang kept tossing ideas in to get Red Farmer to run in the Kentucky Derby. Rest in Peace Bobby.
