“ *So sad to see this, my grandfather Andy was his older cousin (his grandfather was Anthony) and he always mentioned "Cousin Bobby" with warmth and a chuckle, mentioning what a great pianist and character he was. I'm sorry I never got to meet him, I would've liked to hear his stories from their time in Yonkers. I've left my email address if you'd like to get in touch at any point. With condolences, Rhiannon*

“ Dear Tom, I saw this and felt the need to give you my sympathy. I remember your Dad and Mom when we "went" together a hundred years ago. I recently lost my mother and know that there are no words to describe your pain and sadness. Please reach out if you like - I realized I needed more help than I thought - anytime. You know we are neighbors but I rarely see you. All the best Reshma
