“ *Robbie....I will forever remember your quiet and gentle ways, my visits with you to get my pups, even your days as Wild Rob Hickock...but most of all I will miss your arm draped over my shoulder just like the gentleman that Mom and Dad raised.*

“ *We recently had the privilege of having Rob at our home for some much needed paining projects. He did a most amazing job. He was determined to make everything perfect, which he accomplished. Our prayers are with all those who loved him.*

Rob was a wonderful son in law, always there for anyone and would do anything I ask him to. He meant the world to our family and we truly miss him.

Tom & I have known Robbie for many years and you could not find a more gentle and sweet soul. Robbie & Jack (his painting partner) were friends of ours but also did small repairs and painted our house expertly (inside and out) on Elysian Drive many times. Robbie always had a kind word and smile. His last project for us was painting the inside of our garage. After doing an awesome job he even helped me put together shelving racks and place everything back in the garage. Even though his life was short and his loss just breaks my heart I choose to think that he just got to Heaven before us. Healing and comforting prayers for Robbie's sweet family and know that he was very much loved and will be missed.
