“ Just heard of Robert's passing yesterday. We were high school classmates and I can truthfully say that he was one of the finest people I've ever known. Although we seldom saw each other since high school I will always remember his great laugh and sunny disposition. He was one of the really good guys and everyone who knew him was truly blessed.

“ My sincere condolences to Robert's family. Robert and I were boyhood friends, high school friends and room mates our freshman year at NC State. And Barbara and Susan worked together at NC State where Susan met Robert. God bless you Susan.

“ Robert was one of the kindest and most loving fathers I've known. He taught me how to properly drive up his crazy driveway. That lesson of using my rearview mirror stays with me to this day. I have comfort in my heart knowing he is reunited with our beloved Katie. Please accept our deepest condolences. Love, Heather Sites Hagan
