“ Jimmy and family,  
Our thoughts and prayers are with you during this most difficult time. Remember the wonderful memories to fill the emptiness you feel in your heart and the love that surrounds you from family and friends. Grieve in your own time and if you should need a shoulder to lean on, know you don't have to look very far. May our Lord and Savior wrap His arms around you as you go through the next few days, weeks or months as your family travels this most difficult journey.

“ *We are so sorry to hear of your dad's passing. I have been where you are and it is not easy, but with God's help and friends, you, too will find peace. Cherish the memories. That is one of the reasons I write about them all the time, lest I forget. God Bless you Jimmy, you are in our prayers.*
