“ *I have known Robert since 1997. Robert always said I was the first person he talked to in the morning. His wife was still sleep when he would come to the YMCA at 5:00am. I would always yell his name when he got there, it was my special way of greeting him. I will truly miss him.*

“ We were heart broken to hear of Bob's passing. He was such a special person! We think of him often when we see the library table that Bob lovingly refinished for Loys. It belonged to Loys' grandfather. We have wonderful memories of both of you and will be holding you and your family up in prayer. Arms around you, Loys and Sharon A Johnson
