“ Francis, Janet, Randy and Joy: I am so sorry for your loss. Bobby Oliphant was the hardest working man in Iredell County. I would ride by and he was out in his garden every single day and he loved every minute of it. I always looked forward to his tomatoes coming in. When we would stop by to get some tomatoes, we would sit in the porch and talk with Bobby and Francis about the good old days. We all lost a real treasure yesterday.....
