“ *My deepest condolences to Mr. Lee's family and friends; while no words may ease your pain, rest assured that the pain we feel won't go on forever. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they're resurrected back to life. Once resurrected, they can enjoy the promise found at Revelation 21:4 which speaks of a world in which death, tears, mourning, and pain don't exist, for "the former things have passed away".
