“ *When I think about Uncle Bob, I think about fun and wonderful times. He was a very caring individual. He loved his family very much and would do anything for them. He always shared wonderful stories and they were truly one of a kind. I am fortunate to have had him in my life for 43 years. He will truly be missed.*

“ *Although I only got to be your caregiver for a short while, I am grateful for our time together which was always fun and pleasant. You never failed to greet me with your beautiful smile and no matter what I did for you on any given day, you always showed your appreciation for me by telling me, “you’re the best kid”! My dear Bob, you will be fondly remembered and sorely missed and will always remain in my heart ❤️ Susan*

“ *I will always remember the good times I shared with my Uncle Bob. He was a thoughtful and generous man who brought joy to our lives. He was always kind to me and I enjoyed listening to his stories (both intentionally and unintentionally funny). We shared a lot of laughs and I will miss him dearly.*
